"Raven" is a pretty, unique colored, leopard, gelding. We've got him started to ride but we have ran out of time with everything life has thrown at us. He has had the last 4 months off and we have decided to sell him. He's had a solid 60 days of professional training up to that point. He is very friendly and personable. He loves treats and has very good ground manners. We are hoping raven can go to someone who can give him more time than we can. UTD on vaccinations and deworming
